AN INTIMATE COMMUNITY BUSTLING WITH OPPORTUNITY

OVERVIEW

Stony Plain's Business and Professional Services industry is at the forefront of unprecedented growth and corresponding opportunities. With benefits including affordable infrastructure, reasonable business taxation, development incentives such as commercial infill policy, a convenient location with access to major air, rail, and ground transportation options, as well as the chance to become an integral part of a community, Stony Plain acts as a superior setting to start up or move an existing business.

BUSINESS OPPORTUNITY

As Stony Plain and the surrounding region continues to grow, there is a greater demand for Business and Professional Services to accommodate this additional population. Stony Plain is committed to supporting local businesses through providing the services needed for an organization to be competitive, as well as providing technical assistance to help them grow.

Canada's rate of entrepreneurship is the second highest among industrialized nations, with Alberta having the highest within Canada. Self-employed people make up an estimated 18 percent of the workforce, according to Statistics Canada 2010 Labour Force Survey. Stony Plain is an attractive option for providing business owners and employees the chance to work close to home.

The overall opportunities within Stony Plain range across an array of industries including, oil and gas, professional, scientific and technical services, and information and cultural industries.

SUCCESS STORY

"For tech companies or any company for that matter, Stony Plain offers affordable leasing space, good telecommunications services, and reasonable proximity to international air travel."
