2016-2017

CITY OF SPRUCE GROVE
PARKLAND COUNTY
TOWN OF STONY PLAIN

The Green Book Community Resource Directory is a directory of agencies and services in Parkland County, the City of Spruce Grove and the Town of Stony Plain. The Directory is compiled and produced by Spruce Grove Family and Community Support Services and Stony Plain Family and Community Support Services as a service to the community. Publication and distribution of the directory is a part of the FCSS mandate to promote and maintain social wellness for a healthy community.

The Community Resource Directory is not a complete listing of all agencies and services in the Tri-Municipal Region. The Community Resource Directory is updated annually. If an agency would like to request inclusion, please contact Stony Plain FCSS.
